

PUSHPAK

Building nation through industries

About Pushpak Group

Pushpak Steels, established in the year 1993, at Pune, Maharashtra, India, and Pushpak Steels (unit - II) established in the year 2013, at Lonand, Satara, Maharashtra, India, both are ISO 9001:2008 certified organizations engaged in manufacturing and exporting of a wide range of Structural and Industrial quality steel. These includes Mild Steel Angles, Channels, Beams, Flats, Round Bars and RSJ poles designed to perfection. These meet the demand of engineering, automobile, agricultural and energy industries.

We have achieved a firm grasp in this domain thanks to an extensive experience of our promoter group who has over 40 years of experience in this domain. It is under their able guidance that we are able to establish ourselves as one of the leading names in this industry.

Group

Our organization is an integral part of the ambitious Rs. 1500 Cr. group having interests in primary and secondary steel making facilities in the states of Goa and Maharashtra. Plans are on drawing board to set up facilities in other Indian states besides venturing into power generation and iron ore beneficiation projects.

Location

Pushpak Steel Industries (Unit - I) is located in Alandi and near to prime industrial area of Pimpri, Chinchwad, Chakan, Sanaswadi, Ranjangaon, Talegaon and **Pushpak Steel Industries (Unit - II)** is located in Lonand MIDC near Satara.

Quality

Pushpak products are rolled from 100% continuous cast billets. This nearly eliminates physical and chemical defects to produce quality rolled steel. All our products confirm and bear the Bureau of Indian Standard Specifications under IS 2062 - 1999 for Structural Steel, RSJ Poles and Rounds. Pushpak has well equipped chemical and physical laboratory to check samples at regular intervals round the clock.

Clients

Few of our valued clientele are :

- TATA MOTORS
- THERMAX
- VENKEY'S GROUP
- L&T
- BAJAJ ELECTRICALS
- THYSSEN KRUPP
- B.G. SHIRKE
- JYOTI STRUCTURES
- GTL & STATE ELECTRICITY BOARDS, ETC...

Why Us?

- In depth industry experience
- Transparent and fair deals
- Faster order processing and placement
- Competitive rates
- Our products are used in diverse industries
- Timely delivery of goods
- Quality Assurance

Infrastructure

- Professionally qualified executives and man power for smoother operations.
- Separate raw material stock yard and finished goods shed with excellent overhead handling systems.
- Two trailer weigh bridges, ERP, backup power and MSEDCL power supply.
- Large fleet of LCV, Truck & Trailers for instant delivery to clients across the state.

Manufacturing Capabilities

- State of the art Steel Rolling Mill complex.
- Automated cooling beds thus ensuring better dimension control and uniform cooling.
- Fully equipped workshop with modern CNC based lathes and other machines.
- Coal Pulverizer based Furnace ensuring zero emissions yet superior heating capability.

Pushpak Steel Industries Pvt. Ltd. (Unit - I) Product Range

Mild Steel Angles

Size (mm)	WT/MTR (kgs)	WT/FT (kgs)
25x25x5	1.8	0.50
37x37x3	1.7	0.50
35x35x5	2.6	0.80
40x40x4	2.4	0.70
40x40x5	3.0	0.90
40x40x6	3.5	1.10
45x45x5	3.4	1.00
50x50x4	3.0	0.90
50x50x5	3.8	1.20
50x50x6	4.5	1.40
65x65x5	4.9	1.50
65x65x6	5.8	1.80
65x65x8	7.7	2.40
65x65x10	9.4	2.90
75x75x5	5.7	1.70
75x75x6	6.8	2.10
75x75x8	8.9	2.70
75x75x10	11	3.40

Industrial Quality Round Bars

16 to 80mm dia. both in MS and special steel
16 / 18 / 20 / 22 / 23.5 / 25 / 27 / 30 / 32 / 33.5 / 36 / 40 / 42 / 48 / 50 / 52 / 56 / 58 / 60 / 63 / 65 / 70 / 75 / 80

Mild Steel Flats

Size (mm)
30x6 / 40x5/6/8/10/12/16/20/25
50x5/6/8/10/12/16/20/25
